## Motter Avenue Bridge Project

### Construction Update

December 19, 2014

City, State and County officials participate in a ribbon cutting ceremony December 8, 2014.

Please drive carefully through the work zone and beyond:

- Observe new signs and flaggers during lane closures.
- Watch for construction equipment and working crews.

The completed stain and protective fence on the new Motter Avenue bridge. (December 22, 2014)

#### Recent Accomplishments:

1. Crews have completed all surface paving on Motter Avenue and on southbound and northbound US 15.
2. Crews have completed installing the chain link on the Motter Avenue bridge and anti-climb fence on each end of bridge.
3. Crews have completed all line markings for Motter Avenue and for all side streets and business entrances.

#### Upcoming work schedule:

1. Crews will be working on line markings on US 15.
2. Crews will finish staining concrete parapets, piers and wing walls.
3. Crews will began working on storm water management ponds.
4. Crews will remove the temporary pedestrian bridge.

On behalf of Maryland State Highway Administration (SHA), I would like to thank you for your cooperation and patience. Please drive with caution through our work zone.

David James, Project Engineer

Maryland State Highway Administration

Project Office (301) 815-1024
